

ANGELIC CHORUS Readings

With Helen Love & Angels

Angelic Readings...COST: \$125.00 full hour; \$75.00 half-hour
Dates: Friday, April 16, 2010 through Monday, April 19, 2010

Helen Love has been in conscious contact with the angelic realm since she was a small child. With the loving presence and help of her angels, Helen was able to survive and to hold awareness of the Light during periods of intense ritual abuse. It is now time to share this source of guidance and love with others.

- Receive the vibrational feeling of the language of divine light
- Receive individual messages of hope and healing
- Opportunity to ask any questions

Because this is incredibly spiritual work, most of the time we don't know exactly what is going to happen. We usually accomplish these and more: You will receive messages DIRECTLY from the angels, experience the feeling of softness and love that is the Angelic language and receive healings. Come play with us!
